2025

Udemy (Online)

- Figma UI/UX Design Course

SKILLS

- Figma (Auto Layout, Components, Variants, Prototyping)
- Adobe Photoshop (basic image editing & ad creatives)
- Adobe Premiere Pro (basic video editing)
- Canva (social media & marketing designs)

PROFILE

UI/UX Designer with a solid foundation in user-centered design, user flows, wireframing, and mobile-first UI design using Figma. Comfortable translating problems into simple, usable design solutions through real-world, project-based work. Focused on continuous learning and improvement.

WORK EXPERIENCE

- **Sandbox (Private) Limited** 2025 - PRESENT
- Software Support Center Agent**
- Worked at Sandbox (Private) Limited, an IT company, supporting the AkzoNobel "Dulux Connect Sri Lanka" mobile application.
 - Provided application support by handling user issues, troubleshooting problems, and assisting with system-related inquiries.
 - Communicated with users to understand issues and ensure timely resolution.
 - Assisted with basic testing and verification of fixes after updates.
- **Jayasuriya Motors | Sri Lanka**
- Graphic Designer (Ads & Social Media)**
- Designed social media advertisements and promotional creatives for vehicle listings and offers.
 - Created clear and visually appealing ad layouts using proper typography, spacing, and color.
 - Prepared designs for Facebook and Instagram posts, stories, and marketing campaigns.
 - Ensured accuracy of vehicle details, pricing, and offers in all designs.
